

**NATIONAL ASSOCIATION FOR
COLITIS AND CROHN'S DISEASE**

Registered Charity No. 282732

FINANCIAL STATEMENTS

FOR THE YEAR ENDED

31st DECEMBER 2006

National Association for Colitis and Crohn's Disease

Trustees' Responsibilities

Law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year. In preparing financial statements giving a true and fair view, the trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and which enable them to ascertain the financial position of the charity and ensure that the financial statements comply with the applicable law. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Auditors' Report to the Trustees of the National Association for Colitis and Crohn's Disease

We have audited the group financial statements (the "financial statements") of National Association for Colitis and Crohn's Disease for the year ended 31st December 2006 which comprise the Group Statement of Financial Activities, the Group and Charity Balance Sheets, and the related notes. These financial statements have been prepared in accordance with the accounting policies set out therein.

This report is made solely to the charity's trustees, as a body, in accordance with regulations made under section 43 of the Charities Act 1993. Our audit work has been undertaken for no purpose other than to draw to the attention of the charity's trustees those matters which we are required to include in an auditor's report addressed to them. To the fullest extent permitted by law, we do not accept or assume responsibility to any party other than the charity and charity's trustees as a body, for our audit work, for this report, or for the opinion we have formed.

Respective Responsibilities of Trustees and Auditors

The trustees' responsibilities for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) are set out in the Statement of Trustees' Responsibilities.

We have been appointed as auditors under section 43 of the Charities Act 1993 and report in accordance with regulations made under section 44 of that Act. Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Charities Act 1993. We also report to you if, in our opinion, the Trustees' Report is not consistent with the financial statements, if the charity has not kept proper accounting records, or if we have not received all the information and explanations we require for our audit, or if information specified by law in respect of trustees' remuneration and other transactions is not disclosed.

We read the Trustees' Annual Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of Audit Opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the trustees in the preparation of the financial statements, and of whether the accounting policies are appropriate to the group's and charity's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

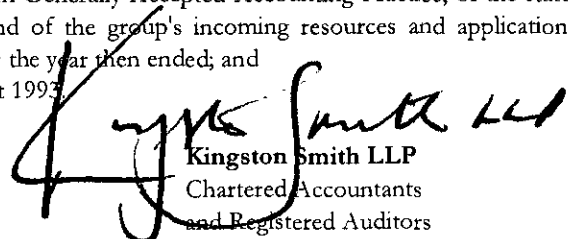

Opinion

In our opinion the financial statements:

- give a true and fair view, in accordance with the United Kingdom Generally Accepted Accounting Practice, of the state of the group's and charity's affairs as at 31st December 2006, and of the group's incoming resources and application of resources, including the income and expenditure of the group for the year then ended; and
- have been properly prepared in accordance with the Charities Act 1993

The assets, liabilities and funds of the charity were transferred to an incorporated charity of the same name at midnight on 31st December 2006.

The accounts, which comprise the consolidated statement of financial activities, the balance sheets and the related notes, were approved by the Council of Trustees on 22nd March 2007 and signed on its behalf on 4th April 2007 by:

Elaine Steven  Chairman

*Group represents the consolidation of the charity with its trading company.

National Association for Colitis and Crohn's Disease

Notes to the Accounts

For the year ended 31st December 2006

1 Accounting policies

Basis of accounting

The accounts have been prepared under the historical cost convention and in accordance with the Statement of Recommended Practice for Charities "Accounting and Reporting by Charities" (2005), the Charities Act 1993 and applicable accounting standards. Comparative figures have been reorganised to reflect the changes.

Group financial statements

These financial statements consolidate the results of the charity and its wholly owned trading subsidiary NACC Merchandise Limited, on a line by line basis. A separate statement of financial activities (SOFA) is not presented because the charity has taken advantage of the provisions of paragraph 397 of the SORP.

NACC Groups

The charity had 65 local groups that were active to some degree during the year. All active groups are required to make returns of income and expenditure for the year which are consolidated in the financial statements. By the nature of the charity, however, the deadline for returns to be received cannot always be met which means that some results are omitted, and some groups are inactive. Returns had not been received from 2 groups at the time of the audit.

Income

- i) All income is included in the accounts without netting off expenditure
- ii) Members' subscriptions are taken to income in full in the year of receipt.
- iii) Investment income is taken to income when received and then allocated annually to the various funds in proportion to their average balance throughout the year.
- iv) Donations received are treated as unrestricted funds unless they are specifically designated by the donor for either research or the welfare of sufferers, in which cases they are kept in the separate funds. All donations received "in memory" are treated as research unless the donor specifies otherwise.
- v) Legacies are included in the financial statements as soon as their receipt can be anticipated with a high degree of certainty. This frequently coincides with the funds being received.

Expenditure

- i) Expenditure is charged on an accruals basis.
- ii) The full cost of booklets, leaflets etc. is charged in the year the expenditure is incurred.
- iii) Research grants are charged to expenditure at the time they are allocated.

Grants are allocated to cover the cost of equipment and/or the salaries of research staff.

The majority of grants, which can be for more than one year, are paid quarterly in arrears. For administrative reasons it can take some time for the grantee to appoint suitable staff and consequently some grants may remain partly unpaid at the year end.

Full provision is made for amounts allocated but not yet paid and this provision is shown as a creditor falling due within one year.

- iv) The majority of costs are directly attributable to specific activities. Costs incurred in respect of the charitable activities include elements of staff costs and attributable support costs.
- v) Support costs are those costs which are common to all areas of the organisation including premises and office operating costs. These are allocated across all areas of activity on the basis of staff time spent on each activity.
- vi) Governance costs include both the direct costs of the charity meeting its statutory obligations and a portion of officer and overhead time spent on the strategic direction of the organisation and compliance with constitutional and statutory requirements.

National Association for Colitis and Crohn's Disease

Notes to the Accounts

For the year ended 31st December 2006 (continued)

1 Accounting policies (continued)

Stocks

Stocks of goods for resale are valued at the lower of cost and net realisable value.

Capitalisation and depreciation of tangible fixed assets

All assets costing more than £500 are capitalised at the cost to the charity.

With the exception of leasehold improvements, depreciation is provided in respect of fixed assets at a rate of 25% per year which rate it is believed fairly reflects the average estimated life of the charity's assets. Leasehold improvements are depreciated over the life of the lease.

Fixed asset investments

Fixed asset investments are included at market value at the balance sheet date. Any gain or loss on revaluation is taken to the SOFA.

Pension Contributions

The charity makes contributions for employees to a group personal pension scheme. This is a defined contribution scheme to which the Association makes employer's contributions of 8% of gross pay. Where employees prefer to maintain their personal pension schemes similar employer contributions are made. Outstanding contributions to the scheme at 31st December 2006 amounted to £3,064, these are included in creditors.

Funds Accounting

Funds held by the charity are:

Unrestricted general funds - these are funds which can be used in accordance with the charitable objects at the discretion of the trustees.

Designated funds - these are funds set aside by the trustees out of unrestricted general funds for specific future purposes in accordance with the development plans of the organisation and to enable the completion of existing projects.

Restricted funds - these are funds that can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular purposes.

These funds are further divided between those held Nationally and those held by NACC Groups. Further explanation of the nature and purpose of each fund is included in the notes to the accounts.

Operating leases

Rentals applicable to operating leases where substantially all the benefits and risks of ownership remain with the lessor are charged to the SOFA as they arise.

Total		1,515,507	1,394,603	(1,310,296)	(66,184)	1,533,630

- (a) The contractual liabilities fund was established to ensure funds are available to meet any potential liabilities under the premises lease.
- (b) The Heyman Bursary has been established from a legacy to act as an expendable endowment for the development of specialist nursing for IBD. An allocation will be made to the fund each year of a portion of interest earned.
- (c) The legacies for future special projects fund was established to ensure that these funds are used for major projects to be designated by the trustees.
- (d) These funds were established in respect of special projects agreed by the trustees to be funded from legacies received.
- (e) The fixed asset fund represents sums set aside for the purchase of fixed assets and is written off in line with the depreciation charge for the assets acquired.
- (f) These funds were established from unrestricted funds received which trustees have earmarked to be applied to the purposes suggested by the name of the fund.
- (g) The Millennium Walk is a national fund raising event, the proceeds of which are to be used for discrete projects as directed by the trustees.

* Included within Resources expended are realised losses on investments.

25 Related Party

A company, NACC Nominees Limited, has been formed to hold the lease of the offices occupied by the charity. This position was made necessary because of the unincorporated status of NACC. The directors of NACC Nominees Limited are the trustees of the charity. The obligations arising under the lease are being met by the charity and the designated fund previously established to meet contractual liabilities remains.

The Charity has entered into an agreement with Mr N Westwood, a trustee, under which Mr Westwood's business hosts the charity's website. During the year fees of £6,728 were paid to this business. In accordance with the charity's policy Mr Westwood withdrew from Trustee discussions authorising the transaction.

National Association for Colitis and Crohn's Disease

Notes to the Accounts

For the year ended 31st December 2006 (continued)

26 Post balance sheet events

At midnight on 31st December 2006 the assets, liabilities, funds and undertaking of the National Association for Colitis and Crohn's Disease were transferred to a new incorporated charity of the same name. The charity number of the new entity is 1117148 and the registered company number is 5973370.
